Paying back into the Public Sector

WGLL

- Place
- Community
- Wider partners
- Accountability

Adult Social Care Data

Beyond statutory returns

Case Management Systems

- Front door
- Portals
- Case management
- Finance
- Commissioning

Service Delivery

- Residential care
- Domiciliary and day care
- Extra care / Supported living
- Care Technology
- Shared Care Record

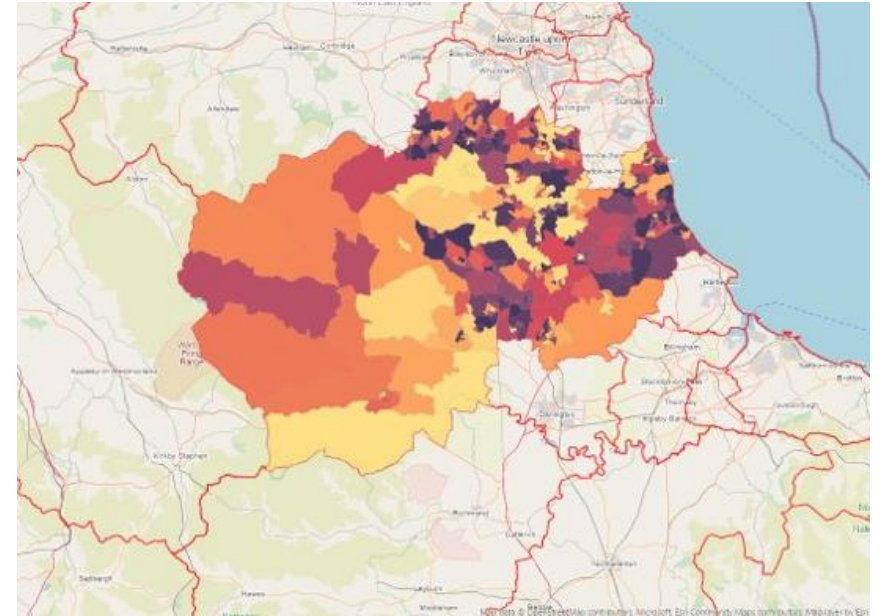

ERP

- Revenue (charging)
- Workforce

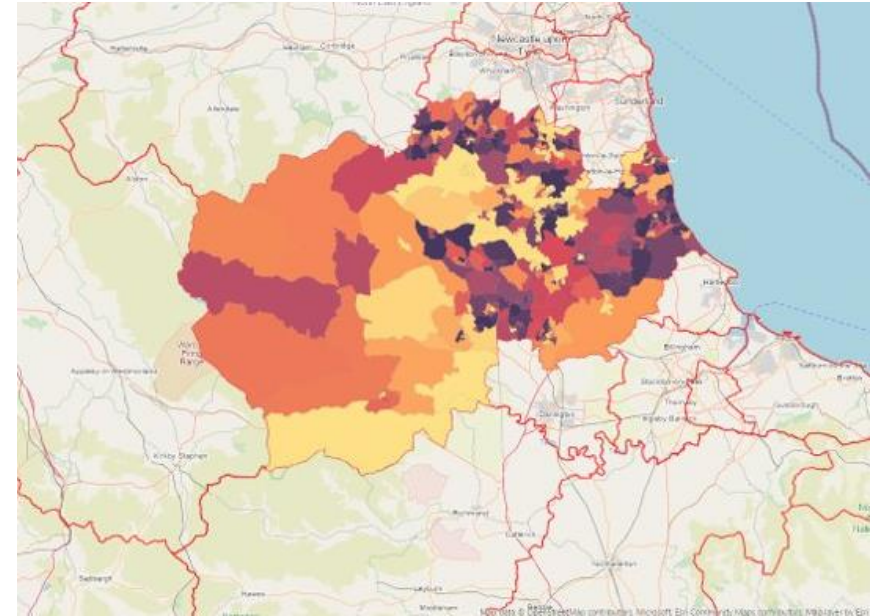

Durham TEC Strategy – place based data

- Activity and financial data – commissioner and supplier
 - Demographic
 - Services
- National data to identify cohorts
 - Demographic
 - Health and deprivation
- Identified where service take-up could be beneficial

Going forward

- Lots of opportunity
- Use place data to support continuous improvement
- Impact wellbeing across communities
- Joint strategy
- Joint investment in technology and data
